

Project Solutions L.L.C.

Project Solutions is a locally owned and operated Project Management company that was founded in Richmond, VA in 1999. We specialize in providing project expertise and resources to Clients that range from start-up companies to firms in the Fortune 500.

As our Client base has increased, so have our services.

Clients are offered a variety of exceptional services, including but not limited to:

Project Management

Project Mentoring

Business Analysis

Testing Services (Test Automation Tools, Requirements & Configuration Management, Load/Performance Testing)

Contract Resources/Resource Management

We combine experienced resources with practical skills, good old-fashioned hard work, and a proven track record to provide real world solutions to Client's project needs.

Project Solutions is certified by the Women's Business Enterprise National Council.

We actively support several non-profit initiatives including Friends Association for Children, First Book, and Boaz and Ruth.

On 03/25/07, Project Solutions pledged a \$1000.00 matching-funds donation to Katie King in support of her Woman of the Year fund raising campaign on behalf of the Leukemia and Lymphoma Society. Go Katie!
